

Grade 4 – The Poem

I just love my pet.

From the day we met,

We just connected, you know what I mean

He is the best friend you would have ever seen.

Sneaky Snowy we like to say

He always carefully creeps up on you everyday

He is like a mild little mouse

You can't hear him woofing around the house.

My Snowy, he is my rock.

Always by my side

Loving me until the very end,

He will be my furry best friend.
