

Using the letters name the parallel lines (L) and the transversal (T)

1 L: CD  
L: EF  
T: AB

2 L: QT  
L: HJ  
T: XM

3 L: DP  
L: FM  
T: ZU

4 L: IC  
L: KX  
T: BV

Using the assigned letters name the 2 angles with symbols

5 ★ ∠ ADF  
+ ∠ DFG

6 ★ ∠ PRU  
+ ∠ XPH

7 ★ ∠ TEB  
+ ∠ VTE

Show the co-interior angle by colouring the circle (the numbers are for marking purposes)

8 9

10 11

12 13

Now colour the alternate angle

14 15

16 17

18 19

Now colour the corresponding angle

20 21

22 23

State if these angles are corresponding, alternate or co-interior.

24 corresponding  
25 alternate

26 alternate  
27 co-interior

28 corresponding  
29 co-interior

30 corresponding  
31 co-interior

32 co-interior  
33 corresponding

34 co-interior  
35 alternate

36 alternate  
37 corresponding
