

Possible answers, depending on the text [This is not a memo]

Look around for different texts in your home, whether it is a newspaper article, on the back of the air freshener or a story book. Find at least two.

Answer the following questions:

Text 1: Newspaper Article

1. Is this text fiction or non fiction?

This text is non-fiction.

2. Give a reason for your answer.

It is based on facts about events happening in your city/country or world.

3. What is the author's purpose for writing this activity?

The author is writing to inform the audience.

NB! PIE
