**BENEFITS OF FINISHING HIGH SCHOOL - SOCIAL STUDIES HELP CENTRE**

- 1.** Graduating from high school and earning that high school diploma is extremely important; however, you may not actually realise how important it really is for you. Sure, you have probably heard your parents telling you that you need a good education, but are there really benefits to having a diploma from high school? Yes, there really are benefits, and the following are just a few of the benefits you will reap if you get your high school diploma.
- 2.** Better Job Opportunities. You must have your high school diploma so that you will be able to get better job opportunities. Instead of always being passed by for the good jobs, you'll have the opportunity to get jobs that are more interesting. No doubt you don't want to be stuck flipping hamburgers for a living, so having that diploma is important.
- 3.** Makes You Feel Pride. Having your diploma from high school will also make you feel proud and confident. It is quite an accomplishment and you can give yourself a pat on the back knowing you have worked hard to earn your diploma.
- 4.** Allows You to Go on to College. Another benefit of having your high school diploma is that having it will allow you to go on to college. Nowadays having a college education is becoming even more and more important. So, if college is in the plans for you, you are going to have to make sure you get your diploma from high school, because it will help you.
- 5.** Higher Wages. Not only can your high school diploma help you get better job opportunities, but it can actually help you to make more money as well. People who do not have diplomas usually make less money, so if you want to make more money at your job, having a diploma is going to be very important.
