

Fun Activity

Facebook Page

Create a detailed Facebook page based on information from the novel, for **ONE** of the following:

- Miranda
- Via
- August

Create some **statuses and recent events** on their wall that match what has been happening in the book, e.g. “Via Pullman was amazing in “Our Town” tonight!” These could also be adding/ deleting friends, changing relationship statuses, comments, etc...

Information: relationship status; birthday; hometown; e-mail address.

Friends: Think about who the characters would and would not be friends with. Maybe they have recently made or lost friends? Draw some thumbnail pictures.

Likes: think about the kind of groups your character would be a member of, or things they would be a fan of, from what we know about them.
